## ABOUT ME

Passionate Software Developing Candidate with a strong foundation in Python, JavaScript, HTML, and CSS, driven by a love for programming and building meaningful software solutions. Created a social media-style chat inbox inspired by Instagram, showcasing skills in full-stack development and real-time functionality. Thrives in collaborative, agile environments and quickly adapts to new technologies. Eager to contribute to innovative programming projects and grow as a versatile developer.

## EDUCATION

### 2024 - 2027

Gujarat Law Society,  
Ahmedabad

### Bachelor of Science in Information Technology

### 2020 - 2024

St. Anthony's Sr. Sec. School,  
Udaipur
